Hibra Surgical are manufacturer and exporters of Jewellery tools , Dental instruments, Surgical Instruments. We export to quality conscious international distributors and suppliers who are renowned for customer satisfaction.

PROFILE:

Company started manufacturing in 2003 with dedicated individuals and started exporting.

With continues hard work and team effort it is possible that we are extending our international market to American, European and Russian markets.

We have highly skilled and trained marketing managers who are experts in their field.

Quality is not inherited, but an outcome of year's long efforts, commitment and dedication.

We are committed to achieving and maintaining the highest standard of quality by a process of continual improvements through the use of appropriate techniques, environmentally friendly materials and processes, and the development of employees.

Each order processed is tested and certified by our Quality Assurance Department, before delivering to customer.

We pride ourselves on quick turn around times, and consistent results
